

BIS 15L Project Evaluation

Directions: Please fill out the form below. Your responses will be kept confidential. Your candid evaluation of **yourself** and of **your group members** is appreciated.

Please email the completed form to Prof. Ledford (jmledford@ucdavis.edu) by 5:00p on Monday, March 18.

Your name: **Ketong Zhang**

Group #: **7**

Project Title: **Sea turtle**

1. What are the names of your other group members? Next to each name, please state their primary responsibility.

Jasmine Hsiao: Create the shiny app, responsible for ea_turtle_strandings_florida.csv data analysis

Amanda Duong: Responsible for introduction, conclusion, and loggerhead_turtle csv data analysis

2. What was your overall experience with the project? Do you feel like it was a valuable learning experience? Were there any problems?

Very collaborative and engaging. I felt like it was a valuable learning experience. There is no problem this project

3. Did all members of your group contribute evenly? Please explain.

All members contributed evenly, we have schedule meeting outside the class to finish the project and the tasks are distributed evenly

4. If you had to give yourself a grade (A-F) on this project, what would your grade be? Please explain.

I will give myself an A because we have done analysis on all the possible variables and we have very detailed slides for the audiences

5. Do you have any other questions or concerns?

No questions or concerns, this is a very interesting class! Thank you so much for the help!
